Warba Bank offers a range of accounts to meet the financial needs of its customers. The following are the types of accounts available at Warba Bank:

Sunbula Account

Sunbula Kids Account

Current Account

Salary Account

Gold Account

Investment Saving Account

Super Saving Account

In addition, Warba Bank has updated its Credit, Debit, and Prepaid Cards with a new chip that has the latest security standards to provide its customers with the highest level of protection.

Gold Account:

The Gold Account at Warba Bank allows customers to buy and sell the finest gold provided by Swiss and Emirati manufacturers (24 karats with a purity of 999.9). The account can be easily accessed through the Warba Bank application in partnership with Dar Alsabaek Group.

AlSunbula Account:

The AlSunbula account is an investment savings account based on the Wakala investment principle, with returns distributed quarterly, along with chances to win in the AlSunbula draws on cash prizes held throughout the year. To be eligible for the draws, AlSunbula account holders are required to have a minimum balance of KD100, which can only be withdrawn upon account closure.

AlSunbula Kids Account:

The AlSunbula Kids account is a savings account designed specifically for kids, based on the Wakala investment principle, with competitive returns. Customers 15 years or younger can open an account with a minimum amount of KD10. The AlSunbula Kids draw has seven winners every month with prizes ranging from KD100 to KD1000, and one winner in the mega draw worth KD250,000.

Housing Finance Deal:

Warba Bank offers Housing Finance deals for building a future house or renovations, with financing up to KD70,000. The benefits of this deal include free debt insurance, no down payment required, and preferential rates for Al-Safwa customers, along with a six-month grace period. To apply, customers need to provide their Civil ID, 3-month account statement, salary continuation certificate, authorized signatory, and PIFS certificate.

Car Auto Finance Deal:

Warba Bank's Auto Finance deals are competitive, and finance up to KD25,000 is available. Salary transfer is not required, and flexible monthly installments start from KD30. Al-Safwa customers receive a special rate, and all customers get a six-month grace period. To apply, customers need to provide a car quotation, Civil ID, 3-month account statement, salary continuation certificate, authorized signatory, and PIFS certificate.

Customer Segments:

Warba Bank has different customer segments to meet the diverse financial needs of its customers. The following are the customer segments at Warba Bank:

- 1- AlMassy
- 2- AlSafwa Plus
- 3- AlSafwa
- 4- W
- 5- Normal
- 6- Bloom
- 7- Sunbula Kids

Warba Bank is a leading bank in the Islamic Digital Retail Solutions sector. With a variety of products and services, Warba Bank is committed to providing its customers with the best banking experience. One of the services Warba Bank provides is its cashback program. In this document, we will explain the details of the cashback program offered by Warba Bank.

Details of Cashback Program in WARBA Bank:

Warba Bank offers a cashback program for Mastercard World and World Elite credit card users. AlSafwa, AlSafwa Plus, W & Almassy customers get a cashback rate of 3% on local and international transactions. If the local spending + international spends are more than KD 3000, the cashback will be 3% for local and 6% for international transactions. On the other hand, for Normal segment customers, the cashback rate is 1% irrespective of the amount of the transactions.

Maximum Cashback:

The maximum cashback amount varies based on the customer segment. The maximum amount for ALMASSY, ALSAFWA PLUS and ALSAFWA is equivalent and set at KD 500., while the maximum amount for W is KD 300. The maximum amount for Normal is KD 150.

Calculation of Cashback:

The cashback calculation depends on the customer segment and the amount of the transactions. For Al S

afwa / Al Safwa Plus / Al Massy and W customers, if the spent transactions are less than KD 3000, the cashback rate is 3%. If the transactions are higher than KD 3000, the cashback rate is 6% for international transactions only. For Normal segment customers, the cashback rate is 1% irrespective of the amount of the transactions.

Exceeding the Maximum Cashback:

If any of the customer segments Al Massy, AlSafwa Plus, AlSafwa, or W exceed the maximum cashback amount, Warba Bank will only return the maximum amount. For example, if the Al Massy segment exceeds the maximum amount of KD 500, Warba Bank will only return KD 500. The same applies to the W segment with a maximum amount of KD 300, and the Normal segment with a maximum amount of KD 150.

Warba Bank's cashback program provides its customers with an opportunity to earn cashback on their credit card transactions. With different customer segments and different cashback rates, Warba Bank's cashback program is tailored to meet the needs of all its customers. If you have any questions regarding the cashback program, please visit the Warba Bank website or contact customer support.

Medical Benefits:

Warba Bank places a strong emphasis on health and wellness, and offers medical financing to its customers. With 0% profit, the bank provides financing for medical expenses up to KD 25,000, with flexible monthly installments starting at KD30. No down payment or salary transfers are required, making it easier for customers to access the financing they need for their medical needs.

Digital Services:

Warba Bank is dedicated to providing digital services to its customers, and the bank's mobile app is a testament to this commitment. With the app, customers can open a new account in less than 5 minutes, with no need to visit a branch. The app also provides access to the bank's ultimate digital loyalty program, "Pocket," as well as the ability to enter Al Sunbula draws and access a directory of branch services.

Family Account:

Warba Bank's family account service is designed to make it easier for parents to manage their children's accounts. With the family account, parents can link their children's accounts to their own and track their transactions online or through the mobile app. This innovative service is designed to meet the needs of families and ensure that their banking needs are met.

IBAN Number:

Customers can obtain their IBAN number through the Warba Bank app, website, call center, or by visiting a branch. The IBAN number is an important part of a customer's banking information and is used to facilitate international transactions.

Frozen Accounts:

In the event that a customer's account has been inactive for one year, the account may be frozen. To reactivate the account, the customer must visit a branch and submit an activation request, along with payment of an account activation commission.

Accounts for Charitable Societies and Public Service Associations:

Warba Bank also offers accounts for charitable societies, public service associations, and student unions. The required documents vary based on the type of organization, but typically include articles of association, a letter from an official body, and original ID cards of authorized individuals. The bank is dedicated to supporting these organizations and ensuring that their banking needs are met.

FATCA Compliance:

Warba Bank is compliant with the US Foreign Account Tax Compliance Act (FATCA), which is designed to prevent tax evasion by US citizens with accounts and investments outside the US. The bank is committed to following international regulations and ensuring compliance with FATCA.

Maximum Monthly Instalment Amount:

For customers seeking financing, the maximum monthly installment amount is determined by a customer's net salary or income. For those in service, the total monthly installments should not exceed 40% of the net salary, while for retirees, the total monthly installment should not exceed 30% of the net monthly income.

DOCUMENTS REQUIRED FOR CONSUMER FINANCE:

For Consumer Finance, the following documents are required:

Original valid Civil ID

Original recent salary certificate

Salary continuation

Price quotation

Account statement for the last 3 Months (6 months for the private sector)

Passport copy for expatriate customers only

BRANCHES:

The current account is a Sharia-compliant account that is available for both individuals and corporations.

The benefits of this account include the ability to open the account in KWD or any major foreign currencies (Euro – USD - GBP), chequebook issuance, and a free VISA prepaid card for the first year. The terms of

f this account include a minimum amount of KD 1,000 to open the account.

Salary Account:

The salary account is an account that is suitable for private and public sector employees. The benefits of this account include an instant issuance of an ATM card with a unique design, up to KD 3,000 cash withdrawal from ATMs, a free VISA prepaid card for the first year, and a free credit card for the first year. The terms of this account include that it is for individuals only, the account currency is KWD only, and a minimum salary amount of KD 500 is required to open the account.

Investment Savings Account:

The investment savings account is a Sharia-compliant account based on the Mudarabah principle. The benefits of this account include quarterly distributed returns, up to KD 2,000 cash withdrawal from ATMs, and the ability to transfer salary to this account. Additionally, a free VISA prepaid card is provided for the first year. The terms of this account include that profits are calculated based on the account's lowest monthly balance and the account currency is KWD only.

Super Savings Account:

The super savings account is based on the Wakala investment principle and provides expected returns of up to 0.75%. The benefits of this account include the funds being invested under the Wakala investment principle, monthly distributed returns, up to KD 2,000 cash withdrawal from ATMs, and the ability to transfer salary to this account. The terms of this account include that it is for individuals only, the account can be opened in KWD or any major foreign currencies (USD – GBP - EURO), and a minimum balance of KD 1,000 is required to open the account.

KD Wakala Fixed Deposit:

The KD Wakala fixed deposit is a Sharia-compliant investment structure that is available for corporations only and is based on the Wakala investment principle. Returns for this investment range from 1 to 60 months. The benefits of this account include being based on the Wakala investment principle, being opened in KWD only, and a minimum limit of KD 3,000 to open the deposit. Returns are earned at maturity from 1 month to 18 months and returns can be earned monthly or yearly as per the customer's choice from 18 months to 60 months. The breakage rule for this account states that if the deposit is cancelled before completing one month, returns are not calculated, but if it is cancelled after completing one month, returns are calculated based on the call account's lowest profit margin.

Sunbula Fixed Deposit in Warba Bank:

Warba Bank offers a product called Sunbula Fixed Deposit, which is designed for individuals only. The deposit provides expected returns and gives customers the opportunity to participate in weekly and mega Sunbula draws. To open the deposit, customers need a minimum amount of KD 5,000, and the tenures range from 1-12, 24, 36, 48, and 60 months.

Sunbula Flexible Deposit in Warba Bank:

Sunbula Flexible Deposit is another product offered by Warba Bank, designed for individuals only. This deposit is based on the Wakala investment principle, has a minimum limit of KD 20,000, and has an investment period of 12 months. Returns are earned on a quarterly basis, and customers have the chance to participate in weekly and quarterly draws for every KD 1,000 in their deposit. Additionally, customers have the ability to withdraw KD 100 or more during the investment period and to deposit KD 100 or more during the investment period. If the deposit is cancelled before completing 12 months, returns are calculated based on the profit margin of the Sunbula Savings Account. If the deposit is cancelled after completing 12 months, returns are calculated based on the premium savings account profit margin.

FC Wakala Fixed Deposit in Warba Bank:

FC Wakala Fixed Deposit is another investment opportunity offered by Warba Bank, designed for both individuals and corporates. This deposit is based on the Wakala investment principle and allows customers to invest in major foreign currencies such as USD, GBP, and Euros. The minimum limit for opening the deposit is Euros 10,000, USD 10,000, or GBP 5,000, and returns are earned at maturity from 1 month to 18 months and monthly or yearly as per customer choice from 18 months to 60 months.

Mastercard and Visa Creditcards:

For information on the benefits of Mastercard creditcards, customers are advised to visit priceless.com. For information on the benefits of Visa creditcards, customers are advised to visit visamiddleeast.com.

Pocket Product:

Pocket is a fully digital loyalty program offered by Warba Bank, based on earning points and redeeming them through Warba Bank's application services or purchasing select items from partnering merchants.

Earning Points with Pocket:

Customers can earn points with Pocket by:

Paying their mobile bill using Warba Mobile App.

Using their Credit Card and getting Points instead of Cashback.

Inviting friends to Warba using the Mobile App.

Transferring their salary and getting points instead of cash.

Redeeming Points from Pocket

Customers can redeem their points from Pocket in several ways:

Through Warba Bank application services, including buying digital vouchers, topping up their Credit Cards, paying their mobile bills, transferring points to friends, and transferring points to their Al Sunbula Account.

Through the Entertainer, where customers can enjoy exclusive discounts and unique offers from over 700 merchants across Kuwait, Dubai, Saudi Arabia, Qatar, and Oman.

Through purchasing products from Warba Bank's partners.

Note: Pocket points will expire after one year from the calendar month they were earned.

KYC (Know Your Customer):

KYC is a mandatory process in accordance with the Central Bank of Kuwait regulation, which requires banks to obtain information about the identity, personal information, financial transactions of customers periodically. The purpose of this process is to ensure the safety and security of customer information and to provide them with uninterrupted financial services. Warba Bank allows customers to update their KYC information through the bank's application in just a few simple steps.

How to Update KYC Information:

Customers can update their KYC information in 4 steps:

Identity check: Confirm if you are a US citizen, stateless nationality, or politically exposed person.

Personal information: Update your resident address, employment status, source of income and banks you are dealing with.

Transaction Volume: Update your expected transaction volume.

Tax information: Update your residency and tax identification number.

Oasis Club Airmiles:

Oasis Club is a loyalty program offered by Kuwait Airways based on airmiles. With Warba Bank's "Pocket" digital loyalty program, customers can redeem their Pocket points for Kuwait Oasis Club airmiles.

Redeeming Pocket Points for Oasis Club Airmiles:

To redeem Pocket points for Oasis Club Airmiles, customers need to have an active membership account with Oasis Club. They can follow these steps:

Go to the "Pocket" account and select "Exchange Pocket points for Kuwait Airways miles."

Enter the number of points you would like to exchange and agree to the terms and conditions.

Upon successful processing, your air miles will be credited to your Kuwait Oasis Club account.

If you don't have an Oasis Club membership, you can create one by visiting the Oasis Club website. After creating your account, the service should be available within 7 working days on Warba Pocket.

Hassala:

Hassala is a digital savings system offered by Warba Bank that helps customers save for their needs and goals. With Hassala, customers can easily manage their savings and reach their goals faster.

Creating a Hassala:

To create a Hassala, customers can follow these steps:

Start Hassala: From the main page of the Warba Bank app, select "Create a Hassala."

Select Your Goal: Determine the goal you want to save for.

Fund Your Goal: Hassala calculates the expected amount to be saved monthly or weekly from one of your accounts according to the specified period.

Ways to Save in Hassala:

Customers can save in Hassala through several methods, including:

Kharda: Transfer all the remaining funds into your Hassala daily.

Save as you spend: A predefined amount will be matched with every POS transaction you make and will be saved in your Hassala.

Sweep: Transfers any excess amount above the set account threshold to the Smart Savings account.

Automated Transfer: A standing order defined by the user for weekly or monthly transfers.

TopUp: A manual funding transaction initiated by the user at any moment.

Hassala Kids:

Hassala Kids is a unique savings app designed to educate children about the importance of saving in a fun way. With Hassala Kids, children can monitor their savings, track their goals, and view all their transactions. The benefits of Hassala Kids include increased engagement between children and guardians, full control over children's Hassalas by guardians, and a new way to reward children.

Creating a Hassala for Kids:

To create hassala for kids follow the steps:

1- Through Warba Bank app's main screen, select create a "Hassala", then define a name for the Hassala and a goal.

2- Click on "Link Hassala" and enter the kid's details then create a PIN code for your child.

3- To complete the process, download the "Hassala Kids" app on your child's device and enter your child's Civil ID and PIN code.

Postshipper Service:

A mail forwarding company that allows its customers to obtain UK and USA local shipping addresses for international purchases and shipments of items to local addresses in Kuwait. Customers can order, track, and pay for these shipments through the Warba app and receive their items through different couriers at competitive rates.

Personal Finance Management:

An advanced dashboard service that helps clients control their net worth. The main features include My Portfolio, which provides access to the client's assets in a graph showing their net worth, My Cashflow, which displays the inflow and outflow of money, and My Spending and Budget, which tracks spending trends and allows clients to set a budget plan. The service also provides updates on the client's banking experience with Warba Bank, as well as services such as Hassalat, Payment Due, Request History, and the ability to fully customize the look and feel of the dashboard through the settings.

Entertainer Product:

A digital coupon subscription service that offers Buy One Get One Free and discount offers for restaurants, attractions, activities, sports, fitness venues, and more across Kuwait, Dubai, Qatar, KSA, and Oman. Users can access an annual pass for The Entertainer at a significant discount through Warba Pocket, which is fully integrated and accessible through Warba Bank.

Super Transfer (Service by Mastercard):

An international remittance service offered by Warba Bank that enables its retail customers to transfer funds internationally to predefined beneficiaries in a convenient and easy way. The service offers competitive FX rates, the ability to track transaction status, and ensures that the full amount remitted is received by the beneficiary. The two modes of transfer available are Bank Account transfer and Mobile Wallet transfer.

Mustashar Product:

A digital service from Warba Bank that provides tips and smart solutions to improve the customer's experience when using the bank's application. The service uses artificial intelligence to analyze available data and provide smart banking advice, as well as navigate customers to the required services directly and provide fast assistance.

Express Finance - Cash:

A financial financing product offered by Warba Bank that allows customers to obtain a finance of up to KD 250,000 in the form of Musawama, in return for holding funds as an investment. The guarantee held can be from a Savings account, Premium Saving account, Sunbula account, or Wakala fixed deposit. The product offers financing of up to KD 250,000, does not require a salary transfer, and is compatible with Shari'a principles.

Split Bill:

A digital service that allows Warba Bank customers to request payments from anyone with a phone number and an ATM card for a local bank. Customers can go to the services tab in the Warba Bank app, choose the Pay Me service, and then choose between contacts for single or multiple money requests. The service allows customers to request from KD 5 to KD 500 per link, request up to KD 5,000 per month, track payment requests, send requests to 10 people a day, and send 10 links to the same person per day.

Smart Cash:

A digital service provided by Warba Bank that enables customers to transfer a cash amount from their credit card to their account directly and without any fees.

Steps of Smart Cash:

Step are as follow:

- 1- Log in to Warba service via the application.
- 2- Select the credit card tab, then the service "Smart Cash".
- 3- The exact amount for this process will be calculated and displayed. You can adjust the desired amount and then click on "Submit Request".
- 4- Enter the password, then press "Confirm".
- 5- Upon successful completion of the application, the calculated amount will be deducted from the card immediately and deposited into customer's salary account.

Question: What is I Pay service?

Answer: It is a new service provided to Warba bank customers for instant payment to beneficiaries' accounts with local banks using Knet gateway 24/7 in an easy, fast and safe way.

I Pay Service:

The I Pay service is an instant payment service provided by Warba Bank that allows customers to make payments to beneficiaries with local banks using the Knet gateway. The conditions for using the I Pay service are as follows:

Minimum amount: 5 KD

Maximum amount per day: 1000 KD

Maximum amount per month: 5000 KD

Maximum amount per transaction: 500 KD

Payment link validity: 24 hours

Kuwait Clearing Company (Maqasa):

With Warba Bank, customers can keep up with the stock market through the Kuwait Clearing Company (Maqasa) service. The service displays all the available shares in KCC and their last closed market price by Borusa Kuwait. The benefits of using the Kuwait Clearing Company (Maqasa) service are:

Simple integration with KCC

No need to know the trading ID

No need for any further documents from the customer

Shows all shares available in KCC and their last closed market price by Borusa Kuwait

Free of charge service

To subscribe to the Kuwait Clearing Company (Maqasa) service, customers need to follow these steps:

Go to the "KCC Widget" from the dashboard.

Click on "Link Your KCC account"

Read and agree to the terms and conditions.

Enter your password for verification.

Private Housing Finance:

Warba Bank also offers a unique service called Private Housing Finance, which allows customers to benefit from calculating and displaying the discretionary deal for housing finance. To use the Private Housing Finance service, customers need to follow these steps:

Click on the side menu "Other Options" and then click the "Private Housing Finance" icon

Select the finance amount, property type, down payment, and the duration needed

The full financed deal will be shown to the customer and they can continue the financing journey by tapping "Next"

In the income verification step, the customer should fill in all the incomes generated from:

a. Net business profit

b. Real estate incomes

c. Property target to purchase (optionally)

The customer can submit their request by filling in their name and mobile number

A general message will be shown, and one of Warba Bank's agents will contact the customer in a short time.

Salary Transfer Certificate:

Warba Bank allows customers to request a Salary Transfer Certificate either by visiting a branch or through the Warba mobile application. This service makes it convenient for customers to have their salary transfer certificate available at their fingertips.

Welcome to SiDi, the digital wallet that makes your life easier. SiDi is designed for non-Kuwaiti individuals with salaries of 400 KD and below. With SiDi, you can enjoy a range of benefits and services that are fast, free, and secure. Let's find out more about SiDi in this video.

What is SiDi?

SiDi stands for Simply Digital. It is a digital wallet with an IBAN number designed for non-Kuwaiti individuals only with salaries of 400 KD and below. SiDi customers can access through the SiDi app on your smartphone. You can use SiDi to receive your salary, pay your bills, transfer money, and more.

What are the benefits of SiDi?

SiDi offers you many benefits, such as:

- Digital onboarding through the SiDi app, available in 7 languages.
- Free account opening with no minimum balance.
- Free debit card issuance, delivery, and activation all through the SiDi app.
- Hassle-free salary transfer service for SiDi customers to receive salaries securely through a dedicated IBAN
- Cash withdrawal service on any ATM and cash deposit in Warba bank ATMs
- International remittance services that allow you to send money home through the SiDi app.
- Instant money transfer to other SiDi customers who have a SiDi wallet.
- Free mobile bill payments

How do I become a SiDi customer?

Becoming a SiDi customer is easy and quick. All you need to do is follow these steps:

1. Download the SiDi app from Google play store, Apple store, or Huawei App Gallery
2. Register with SiDi and start the onboarding journey
3. Provide basic information about yourself
4. Upload your Civil ID or Kuwait Mobile ID (make sure it's not expired or near expiry)
5. Record a video selfie
6. Share some details about your employment
7. Digitally sign and your application is complete

How can I get my SiDi card?

Once you complete your application, you will receive your SiDi card along with the SiDi wallet opening forms at your location. You will need to sign the forms and hand them over to the courier.

What do I do when I receive my SiDi card?

Before you can use your SiDi card, you will need to register a SiDi username and activate your card on the SiDi app. Here's how:

1. Go to the SiDi app and click on "Register" and "Register SiDi application".
2. Enter your account number, civil ID number, and mobile number.
3. Set three security questions and a security image for signing in.
4. Set a username and password to be used for signing in to the SiDi app.

What do I do after registering a SiDi account?

After registering a SiDi account, you will need to activate your SiDi card on the SiDi app. Here's how:

1. After signing in to the SiDi app, click on "Activate Card" on the home page.
2. Enter your SiDi card 16 digits and select the expiry date.
3. Create a 4-digit PIN code and enter your password to confirm.

Where can I use my SiDi debit card?

You can use your SiDi debit card anywhere in Kuwait and abroad where debit cards are accepted. You can also use it for online purchases.

Where can I withdraw cash using my SiDi card?

You can withdraw cash from any ATM that accepts K-Net cards domestically and internationally. You can also deposit cash using your SiDi card in selected Warba bank ATMs.

How can I get my SiDi wallet statement?

You can get your SiDi wallet statement for free through the SiDi app by following these steps:

1. On the SiDi app home screen, go to "My Account".
2. Click on "Get Statement" and select the timeframe for the statement.

Can I deposit cash using my SiDi card?

Yes, you can deposit cash using your SiDi card in Avenues Mall, Egaila Warba ATM, Hawally Warba Branch ATM. To view all locations that allow cash deposit, click on this link: <https://sidiwallet.com/cash-deposit/>

How to deposit money to SiDi Wallet:

To deposit money to your SiDi Wallet account, you have several options. You can use the Request Money service through the SiDi app and ask someone to send you money using any K-Net card. You can also use the Split Bill feature and request money from your friends or family for shared expenses. Another option is to transfer money from another SiDi Wallet account using the Wallet to Wallet Transfer feature. If you have a Warba Bank account, you can also transfer money from there to your SiDi Wallet account. Finally, you can receive money from any other local bank in Kuwait using your SiDi Wallet IBAN number.

How to transfer money internationally using SiDi Wallet:

With SiDi Wallet, you can send money to your home country or anywhere in the world using two services: Super Transfer and Western Union. Super Transfer is a fast and secure service that allows you to transfer money to more than 50 countries with a flat fee of 2 KD per transaction. Western Union is a global leader in money transfer that lets you send money to more than 200 countries and territories with fees ranging from 1 to 8 KD depending on the destination. You don't need to visit a branch or fill out any forms to use these services. You can do everything from your SiDi app with a few taps.

Fees and tariffs for SiDi Wallet services:

SiDi Wallet offers you many benefits and features at low or no cost. For example, you can get a debit card for free when you open an account and renew it for only 5 KD. You can also pay your mobile bills and buy e-vouchers for free using your SiDi app. You can withdraw cash from any Warba ATM for free as well. The only fees you will pay are for international transfers using Super Transfer or Western Union as we explained earlier.

Limits for international transfers using SiDi Wallet:

SiDi Wallet has some limits for international transfers to ensure your security and compliance with regulations. The minimum amount you can send per transaction is 10 KD and the maximum is 500 KD. The maximum amount you can send in a day is 1,000 KD and in a month is 3,000 KD. These limits apply to both Super Transfer and Western Union services.

SiDi Card usage limits:

SiDi Wallet gives you a debit card that you can use to pay for goods and services at any point of sale (POS) terminal or to withdraw cash from any ATM. However, there are some limits for using your SiDi card to ensure your security and compliance with regulations. The minimum amount you can spend per transaction at a POS terminal is 50 fils and the maximum is 500 KD. The maximum amount you can spend in a day at a POS terminal is 1,000 KD. The maximum amount you can withdraw per transaction from an ATM is 500 KD and the maximum amount you can withdraw in a day from an ATM is 1,000 KD.

Request Money and Split Bill services limits:

SiDi Wallet also offers you two convenient features to request money from others: Request Money and Split Bill. Request Money allows you to generate a link that you can share with anyone to ask them to send you money using any K-Net card. Split Bill allows you to request money from your friends or family for shared expenses such as dining out, groceries, or gifts. However, there are some limits for using these services to ensure your security and compliance with regulations. The minimum amount you can request per transaction is 1 KD and the maximum is 150 KD. The maximum amount you can request in a day is 200 KD and in a month is 1,000 KD. The maximum number of links you can generate in a day is 10 and in a month is 20.

Local transfer limits for SiDi Wallet:

SiDi Wallet also allows you to transfer money locally within Kuwait using two options: Wallet to Wallet Transfer and Incoming Bank Transfer. Wallet to Wallet Transfer lets you send money to another SiDi Wallet account using the recipient's phone number or QR code. Incoming Bank Transfer lets you receive money from any other local bank in Kuwait using your SiDi Wallet IBAN number. However, there are some limits for using these options to ensure your security and compliance with regulations. The maximum amount you

can send per day using Wallet to Wallet Transfer is 100 KD and the maximum amount you can send in a month is 500 KD. The maximum amount you can receive per month using Incoming Bank Transfer is 1,000 KD.

Countries available for Super Transfer service:

SiDi Wallet offers you a fast and secure service to transfer money internationally called Super Transfer. Super Transfer allows you to send money to more than 50 countries with a flat fee of 2 KD per transaction. Some of the countries available for Super Transfer are India, Pakistan, Philippines, Egypt, Jordan, Lebanon, Sri Lanka, Nepal, Bangladesh, Indonesia, Vietnam, Thailand, Malaysia, Singapore, China, Hong Kong, Japan, South Korea, Australia, New Zealand, Canada, USA, UK, France, Germany, Italy, Spain, Netherlands, Belgium, Switzerland, Sweden, Norway, Denmark, Finland, Ireland, Turkey, Morocco, Algeria, Tunisia and more. To view the full list of countries that you can transfer to using Super Transfer service please visit our website at <https://sidiwallet.com/super-transfer/>

Difference between SiDi Wallet app and Warba Bank app:

SiDi Wallet app is a separate application from Warba Bank app. SiDi Wallet app is designed for customers who want a simple and convenient way to manage their money without opening a bank account or visiting a branch. Warba Bank app is designed for customers who want a full range of banking services such as savings accounts, current accounts, credit cards, loans and investments. You can use both apps if you want to enjoy the benefits of both SiDi Wallet and Warba Bank.

Languages available for SiDi Wallet app:

SiDi Wallet app is available in seven languages to suit your preferences and needs. You can choose from Arabic, English, Hindi, Tagalog (Filipino), Tamil (Indian), Bangla (Bangladeshi) or Urdu (Pakistani). You can change the language of the app anytime from the settings menu.

Support channels for SiDi Wallet:

If you have any questions or feedback about SiDi Wallet app or services please feel free to contact us through any of our support channels. You can follow us on Instagram @SiDi_Wallet Facebook @SiDiWallet Twitter @SiDi_Wallet or YouTube SiDi Wallet where we post updates news tips and how-to videos in seven languages.

How to request SiDi Call Back:

If you need to talk to one of our customer care agents you can request a call back from the SiDi app. To request a call back follow these steps:

- 1- Open SiDi app and slide the screen to view more options. Depending on the language you are using you may need to slide left or right.
- 2- Click on the call back button on the left. It looks like a phone icon with an arrow.
- 3- Enter your name mobile number and how we can help you with. You can also choose your preferred language from the drop-down menu.
- 4- Click on submit and wait for our call back team to contact you within 48 hours.

How to report a fraud case incident:

SiDi Wallet takes your security and privacy very seriously. If you suspect any fraudulent activity on your account or card please report it immediately by calling 182 5555 or visiting <https://www.warbabank.com/english/report-card-fraud>. You can also block your card from the SiDi app if you lose it or it gets stolen. To block your card follow these steps:

- 1- Open SiDi app and go to the card section.
- 2- Click on the lock icon on the top right corner of your card image.
- 3- Confirm that you want to block your card and enter your PIN or biometric authentication.
- 4- Your card will be blocked and you will receive a confirmation message.

Draws and offers for SiDi account:

SiDi Wallet rewards you for using its services and features. SiDi account has two monthly draws: SiDi Gold Draw and SiDi Cash Draw. SiDi Gold Draw is a special draw for all new SiDi customers who open an account during the promotional campaign period from January 15th to December 31st 2023. - 6- Upon clicking “Start,” the timer will begin to visit the landmarks and finish the tasks to score points.

Playing Warba World:

You can play Warba World multiple times, and there are daily and weekly draws on valuable prizes when playing. To be eligible for the draws, follow these instructions:

Share your points as an Instagram story/post

Mention @Warba_Bank

Include the hashtag: #WarbaWorld

You can share your points multiple times

Privacy of Warba World:

There’s no need to add any personal details when playing Warba World.

Eligibility of Warba World:

Even if you are not a Warba Bank customer or live outside of Kuwait, you can still play Warba World. However, you cannot enter the draw unless you live in Kuwait.

Saving Progress of Warba World:

Don’t worry if your game session is interrupted! Before playing the game, make sure to click on “Save My Progress” so you can resume your session later.

Rowad Definition:

Warba Bank launched an internal innovation program called “Rowad” to cultivate a creativity driven culture. What started as an ideation program has evolved into a full-fledged 7-week innovation boot camp through continuous improvement.

Purpose of Rowad:

The idea is to introduce a unique innovation program in Kuwait that provides an opportunity for participants to work with mentors and solve real-world problems through coming up with innovative solutions in a competitive fashion.

Universities Participating of Rowad:

In the previous round of Rowad, four teams from four different universities competed, including the American University of Kuwait, Australian University, Gulf University for Science & Technology, and Kuwait University.

Applying to Rowad:

Once an upcoming round is announced, you will find instructions to apply. However, rules will depend on the targeted participant and program.

Coaching with Rowad:

With every Rowad program, participants will be mentored by seasoned bankers and industry experts and coached through a leading international consulting firm that will serve as a program facilitator.
